The Burlington Lions donated \$350 to the Burlington School Safety Patrol Program. Officer Mark Johnston, supervisor of the program is shown receiving the check from Burlington Lions President Jerry Robertson.

The Burlington Lions 48th Annual Chicken BBQ held on July 18th was a roaring success. Proceeds will go to a variety of causes, not the least of which will be assisting in the construction of new bathroom facilities at McCanna Park in Burlington.

District Governor Claude Johnson present Immediate Past District Governor Jordan Chadwick with a Plaque for 2003-2004 Service.

INTERNATIONAL YOUTH EXCHANGE CORNER

STATE CONVENTION - At the State Convention Luncheon, Lion John Ziino was the recipient of Lion's Internationals "Top Ten Youth Exchange Chairman Award". This is the second time Lion John received this prestigious award. He was the first person in the State of Wisconsin to receive the award in the 1994-1995 Lionistic year. Only ten chairmen are selected each year from all the Youth Exchange Chairpersons in the over 188 countries of the world!

MD-27 YOUTH EXCHANGE CAMP- The Youth Exchange Camp was held at Camp Vista in Dundee, Wisconsin from 17 - 25 July. The camp hosted 60 campers from 31 countries. There were 20 volunteer counselors, including one from France, two from Denmark, one from Georgia and one from Texas. Three of the counselors were Lake Front Certified Lifeguards, another was an EMT, and the others were certified in CPR. Also part of the all-volunteer staff was two RN's and one LPN.

Part of the camp program included trips to Lion's Camp in Rosholt and Madison to the State Capitol and Eye Bank Research Center. At camp, each country group had to make a presentation explaining their country to the other campers, sports, arts and crafts, swimming, boating and social interaction. They were also broken up in small groups to engage in "World Chats", a discussion session on World Affairs. Each year the outcome is the same. . . people of the world can get along with people; it's the governments that can't get along!

The camp theme is "World Peace and Understanding" and the motto is "One Camp, One Week, One World"
SPECIAL THANKS- Both Lions John Ziino and Dan Eberhardt, Youth Exchange co-Chairmen, want to extend our thanks to the following clubs for their kind donation of money and goods that help to make the Youth Exchange program a success: Burlington Lions, Bohners Lake Lions, Caledonia Lions, Darien Lions, East Troy Lions, Franklin Lions, Genoa City Lions, Greendale Lions, Greenfield Lions, Greater Greenfield Lions, Kenosha Greater Lions, Milwaukee-Bay View Lions, Milwaukee Lake Lions, Mukwonago Lions, New Berlin Lions, Prospect of New Berlin Lions, Racine Lions, Union Grove Lions, Wales Genesee Lions, Waukesha Evening Lions, Waukesha Noon Lions, West Allis West Lions, Williams Bay Lions, Burlington Lioness, Caledonia Lioness, Eagle Lioness, East Troy Lioness, Hales Corners Lioness, Lake Geneva Lioness, Mukwonago Lioness, New Berlin Lioness, Palmyra Lioness, Union Grove Lioness, Williams Bay Lioness, Bohners Lake Leos, East Troy Leos, Tichigan Lake Leos, the Leo Cabinet and the District Skirt Twisters.

Thank you Lions, Lionesses, and Leos for your generous support. We hope that next year we can get 100% of the clubs to participate! To speak at your club meeting, please contact Lion John Ziino, 262-797-8746 or email johnziino@aol.com.

2002-2005 PRESTIGE PINS NOW AVAILABLE

By vote of the Council of Governors the Prestige Pins will once again be offered.

Orders are being accepted for the 2002-Industry, 2003-Education, 2004-Recreational and 2005-Farming series of Prestige Pins. This is an oversize version of the regular State Pin. The policy regarding the prestige pin has been changed so it is not necessary to purchase any of the regular pins in order to receive the number of prestige pins desired. Delivery is expected in late December. The following are the requirements of the prestige pin ordering policy:

- 1) Orders must be in the State Office by November 1, 2004. NO EXCEPTIONS
- 2) Only one order of prestige pins will be placed by the State Office.
- 3) Prestige pins will be sold only to Wisconsin Lions.
- 4) Prestige pin orders will be on a pre-paid basis only.

NOTE: The regular 2005 State Pins are now available. If you wish to order the small 2005 (Farming) pin include the number in the space below. These pins will be shipped at the same time as your Prestige pin order.

PRESTIGE PIN SERIES ORDER FORM

_____ 2002 Wis. Prestige pin (Industry)	@ \$3.50 ea.= \$_____

Mac Keifer	Whitewater	June	Dabra Gasser
Mark Febock	Cambridge	June	Dan Scott

DGs:

Attached are two items that should be printed in your newsletter. Try to run the pin order form through your October issue.

Recently you received 200 2005 trading pins. These are signed out to you on consignment. You are to sell them for \$2.00 each. You may pay for them now or as the year goes. I hope you request additional pins throughout the year. I ask that you pay for the outstanding pins before you receive more. The exception would be for your district convention where you should be selling pins.

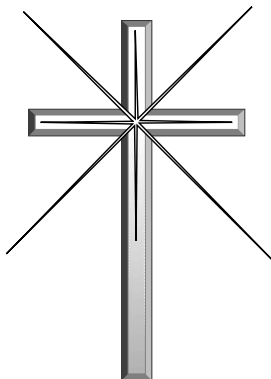

I have noticed lately that the pins are not available at the conventions.

There has been some question about the international dues. The international dues for the period of July 2004 to July 2005 will be \$16.60 semi-annually (\$33.20 per year) This is the second phase of the dues increase. The dues for the period of July 2005 to July 2006 will be \$19.50 semi-annually (\$39.00 per year). This will be the third phase of the dues increase and complete the resolution.

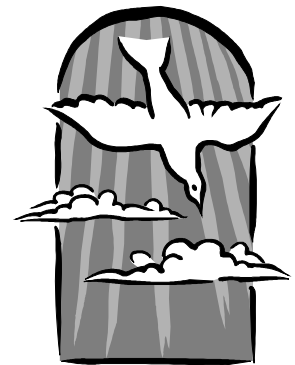

Sec Dwaine

2005 MULTIPLE DISTRICT CONVENTION DATE CHANGED

By vote of the Council of Governors at their July Meeting, the date for the 2005 Multiple District (State) Convention has been changed from May 20-21, 2005 to May 13-14, 2005. Please make a note of this change and disregard any previously published dates.

IN MEMORY	
Name	Club

Waterford Lions Club (38 members)

The Waterford Lions Club parade was held on Sunday, July 4. This year, a theme contest was held to name the parade with the winner being this year's parade marshal. This year's winning theme was "The Star Spangled Parade" which was provided by Alice Wnuk, third grader at Trailside Elementary School. School age-children from the Waterford Area District were invited to participate in the Parade Theme Contest and 45 entries were received.

Again this year, Uncle Harry's Premium Frozen Custard & Ice Cream sponsored the Kids Bike Parade where individual kids up to 6th grade were invited to decorate their non-motorized bikes, wagons and doll buggies. Uncle Harry's provided gift certificates for first thru third place and the grand prize recipient received one quart of ice cream each month for a year.

The Great Duck Race followed the parade at Ten Club Park. Waterford Lion Club members sold pins prior to and on the day of the parade.

The PRIDE COVERS

SIX (6) COUNTY AREA

Did you know that our Pride Ads have a distribution of over 2,400 readers in the six counties shown below. If every one of the 57 clubs in the District sells just one business card size ad at \$120 for the year we would see over \$6,800.00 revenue to help offset the cost of printing the monthly Pride.

International President's Monthly Message

"I have often been asked where the future of the association lies," says International President Clement F. Kusiak, "and I always reply that our future is in the hands of our membership. As long as they stay in the forefront in knowing the needs of their communities and answering those needs, we will maintain our stature as leaders in the voluntary sphere." President Kusiak also recognizes Lions as people who pay to volunteer. "The payment we make through our dues," he is confident, "is minimal to the feeling we have of our accomplishments throughout the world." Taking into account these accomplishments ties into his theme as international president: Share Success Through Service.

The 2004-05 international president was born in the eastern Pennsylvania coal-mining center of Pottsville where his parents and grandparents had emigrated in the early 1920s from Krakow, Poland. The family moved to Baltimore, Maryland, shortly after World War II where the future international president grew up and attended school. His father was a mechanical contractor, a profession his son went on to pursue. The president majored in mechanical engineering courses at the University of Maryland and Loyola College in Baltimore and has been recognized by the FMC Corporation for his expertise in design engineering. He is presently retired as manager of a manufacturing corporation in Baltimore.

His "courtship" of his future wife, Jeanne, began when they were both first grade students in the same elementary school in Baltimore. They have two sons, John, who died in 1988, and Mark, a director of technology at General Dynamics, and two grandchildren. John Michael, 17, John's son, is an honors student and active in sports, primarily baseball. Mark and his wife, Rita, are the parents of a 14-year-old daughter, Sharon, who not only does extremely well academically but is also an accomplished equestrienne, competing successfully in the hunter/jumper show ring.

President Kusiak became familiar with the community service of Lions when, as a child, the club he eventually joined, the Baltimore Brooklyn Lions Club, held Christmas parties at local movie theaters where they also distributed bags of treats. He was invited to become a member of the Baltimore Brooklyn Lions Club in 1967. Soon he was named chairperson of its sight-screening program. The district provided a mobile van that would travel to various areas, thus introducing Lion Kusiak to the important role Lions played in sight conservation.

Kusiak served in practically every office on the club level. When a successor was elected to the position he held, he always worked with that Lion in order to make the transition as smooth as possible. He was certain always to share his attention to detail. He swiftly moved through the ranks of zone and region chairperson and, in 1983-84, served as District Governor of District 22-A. Upon becoming district governor, he revised the procedure of informing clubs on all district matters.

He was elected an international director at the 1988 International Convention in Denver, Colorado. "We had a study drawn up by the Institute for Alternative Futures about our long range activities," he says. "As a result of that study and its recommendations, the Board of Directors concluded that the association should maintain the course of our decades of success, and this primarily meant our commitment to sight conservation. This led directly to our eventual decision to develop and implement our multi-million dollar SightFirst program with its ambitious, but definitely, attainable goal of conquering preventable and reversible blindness."

His decision to place his name in nomination for the office of second vice president at the 2002 International Convention in Osaka, Japan, was based primarily on his desire to implement his thoughts and plans, developed over the last decade, to help move the association to still higher plateaus. "My most enlightening experiences as an executive officer," he says, "were my visits to Lions worldwide and witnessing all the magnificent things that were occurring in the association."

His basic philosophy as a Lion and now as the association's chief executive officer reflects his belief in the direction Lions Clubs International should be headed. "It is crucial," he insists, "that we increase our pace in preventable blindness programs. I also consider a major responsibility for Lions in the years ahead to provide young people with greater opportunities to give of their time and energies in voluntary service to their communities."

What does International President Kusiak seek to achieve this year? He is determined to inspire Lions to re-commit themselves to pursuing objectives at the local level. He also recognizes the need to experience membership increases because net growth is at the very heart of the global enrichment of Lions Clubs International. "As our membership strength grows," he emphasizes, "so will our shared capacity to meet needs both in our own communities and throughout the world."
