Are you looking for an interesting program? Please consider Herb Ayres from Kathy's House.

Kathy's House is a hospital hospitality house, created in memory of Kathy Vogel Kuettner, a young wife and mother of three whose battle with an aggressive form of lymphoma ended with her death in July, 2000. Kathy's family and friends worked tirelessly to open the door one year later on July 1, 2001. The result was Kathy's House, Inc., a not-for-profit 501(c)(3) organization operating a hospital hospitality house in her memory.

Local medical professionals view Kathy's House as a valuable community resource. Guests are referred by hospital staff and may stay as long as hospital treatment continues, either as an inpatient or a monitored outpatient. While sharing the facility, guests often provide comfort and guidance to each other. Even before its first anniversary, Kathy's House had established a unique partnership with area hospitals and medical institutions.

Kathy's House provides its guests with privacy and comfort in eighteen individual suites-each with its own bathroom, and large enough to accommodate up to four adults/children. A communal kitchen, dining room and gathering room with fireplace are available, along with a meditation room, media room, computer center, exercise area, offices, laundry facility, recreation area and outdoor parking.

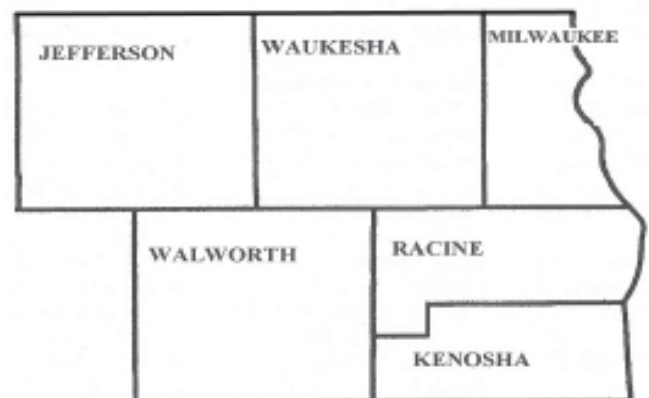

Since opening the doors of Kathy's House on July 1, 2001, the families and caregivers of more that 200 patients have benefited from the services offered at Kathy's House. Although guests and patients arrive from many locations around the United States and the world, most of the guests served by Kathy's House are Wisconsin residents.

You are invited to become a part of the story of Kathy's House. Please call Herb Ayres at Kathy's House, 414-453-8290.

## PRIDE COVERS

### SIX (6) COUNTY AREA

Did you know that our Pride Ads have a distribution of over 2,400 readers in the six counties shown below. If every one of the 57 clubs in the District sells just one business card size ad at \$120 for the year we would see over \$6,800.00 revenue to help offset the cost of printing the monthly Pride.
