District Governor's Corner

Lions, Lioness, Leos, Spouses and Friends:

Mark your calendars and reserve Saturday night October 30th for the 2nd annual district Halloween party. All who went last year had a great time and it will be even more fun this year. Last year I went as a ghost and my costume was so good no one knew I was there. Look for details elsewhere in this issue. I want to thank Lioness Affiliate President Joan Post and Lion Debbie Schwanz and their committee for planning and promoting this event. The proceeds will be donated to the District Newsletter. I hope to see many of you there.

I just received a letter from our International President Lion Clem Kusiak. Lion Clem has given his blessing for District Governors to have zonal visitations. He feels this would give the Governor more time to work on membership, extension and any district functions. This could not be achieved at a zone meeting. To qualify a joint meeting of all the clubs in the zone would have to be held. If this were to happen in all zones my visitation to Lions Clubs would be cut from 58 to 10. I would be open to any zone wishing to try this method. I think it is better to go to clubs on a one to one basis. It is much more personal and informative. On the other hand if you take into consideration the 58 Lions Clubs, 20 Lioness Clubs, 11 Leo Clubs, 40 zone meetings, 4 Cabinet meetings, International Convention, USA Canadian Forum, 2 convention week ends (State & District), 1 week-end at Leader Dog, officer installations, new member inductions, anniversaries, honors nights and training seminars, 6 weekends as WLF representative, at least 5 weekends with the Council of Governors, 9 other district conventions and an unknown number of convention meetings, (District and State), Long Range Planning and many, many fund raisers and other meetings I'm sure I am forgetting, you are looking at around 250 meeting days. Maybe it would be nice to do them a zone at a time.

Lions Wally, Dave and Gary and their spouses are warned not to read the preceding paragraph and continue to enjoy their campaigns. Remind me at the end of the year how much I wanted this job.

Hey! all kidding aside I think it has been great so far. Seeing some of the good that Lions do all over the globe does warm one's heart. What a job you Lions in A-1 are doing. You have all been very active all summer and think of the good you will be doing when you start passing out your donations to the needy, handicapped and your communities. I made it to all the functions I could and visited some clubs. I did notice that you all were "ENJOYING SERVICE TOGETHER" and sharing success through that service.

Make sure you get publicity in your local papers now that your fund raisers are fresh in everyones mind and do it again at the time you make your donations and let them know they made it possible by attending your functions. And last but not least recognize the people that planned and manned your project, a hand shake, stand up for applause at a meeting, a certificate, a plaque, whatever, but do acknowledge them.

I also have to take this time to thank all of you that accepted positions on the Cabinet and various committees. If what I have seen so far continues through the year we are going to enjoy this year so much we will be half way through Wally's year before we realize it.

Now is the time for ~~all good men~~ zone meetings are beginning. Presidents remember I want you to ask your members if there is anything they want you to present at the meeting(complaints, suggestions, ideas, etc.). Zone Chairs remember to ask the Presidents. I am counting on you for that information.

I wish you all enough
CJ

My fellow Lions, Lioness, and Leo's. I hope this article finds all of you in the best of health and good spirits.

Dreams are what get you started. Discipline is what keeps you going.

Where has the time gone? Already the first quarter of the Lions year has passed. Summer is over and we look forward to fall. As I write this article I am preparing to go to the US/Canada Forum in Reno NV. This will be my second Forum and I plan to take in as many programs as I can. I know that I will make new friends and learn new things that will make me a better Lion.

“Time management is really a misnomer — the challenge is not to manage time, but to manage ourselves.” (Stephen R. Covey)

In closing, make this year the best year of your life in service to others.

Isn't this just a wonderful time of the year? Soon the leaves will be falling along with the temperature, but oh well that's Wisconsin. October is going to be another busy month.

The Franklin Lioness will be having their Annual Craft Fair on October 16th at MATC South Campus. Plan on coming out and supporting them. There is always a bountiful amount of items to choose from, I am sure you will find something of interest. Speaking about the Franklin Lioness, they will be celebrating their 25th year in Lionism this month. Congratulations! Your dedication and service to those in need is wonderful. Keep up the good work and the best to you in the future.

Fall Dinner will be on October 17th, make sure to mark you calendars. All of the clubs should have received their invitations, if not please contact Lioness Barb Yanny from the Burlington Lioness. It would be great to have Lioness from each club in the District represented. It is an evening for all of us to get to know each other better, share ideas and catch up on what's going on in the District. Make sure to invite your Liaison, I am sure that they too would like to join in the fun.

The Second Annual District Halloween Bash will be held on October 30th. It will be held at the Oak Creek Festival Grounds from 7:00 P.M. – Midnight. Notices were sent out in September, further information is also in this month's Pride. Those who attended last year had a great time, bring a friend and come join in the fun.

Looking ahead, District Convention will be January 21, 22 & 23, 2005, at the Sheraton Milwaukee-Brookfield. Convention packets have been mailed to all of the clubs, so if you have not received yours, please contact PDG Chuck Post at 414-541-8608 as soon as possible. This is yet another time to get together and enjoy each other's company, renew friendships and make new ones.

Until next time, be happy, enjoy life and stay well.

VICE
PRESIDENT**

Dear Lioness, Lions and Leos:

Each year I think of October as a transition month. We shift from daylight savings time to moving the time back one hour. During this period the days grow shorter and the temperatures are cooler. Mother nature treats us to a bounty of Fall color as we head toward the Holiday Season of November and December.

As part of your October activities I hope you and your Club are planning to attend the Fall Dinner on October 17th at the Cotton Exchange in Waterford. As the invitation states “Enjoy the evening with Good Friends and Good Food.”

Mark your calendars for a second year of the Hallowe’ en party. More details will follow in information sent to the Clubs.

I have attended one area Meeting and have two more which I will be attending by mid-October. Area Chairs, please contact me with your scheduled meetings so I can coordinate attending your meetings.

Catch The News...**“We Serve Too!”****Hales Corners Lioness****Well, summer is long past and we are off to a new Lioness year in Hales Corners!**

We were very sad to see one of our very active members and past president, Pam Impastato, leave us. She moved to Phoenix to lend a hand to her aging parents.

Although we don't meet during the summer, we did have several activities. Our attempt with Franklin Lioness at running a Bingo tent at New Berlin's July 4th festivities was a bit of a washout! Mud wrestling may have been more appropriate.

Four of our members joined Elkhorn Lioness at the Relay for Life in Elkhorn in July. We raised around \$650. This is a most moving and awesome experience. If you've never participated in a Relay for Life, I highly recommend it.

At this writing we are preparing for our annual inter-club Chili Dump event the end of September. We are adding something new this year — a dessert demonstration and tasting by a Pampered Chef representative.

We are looking forward to a busy year as we support our club member, Ls. Joan Post, in her year as Affiliated District President and her theme: A Purr-fect Pair: Lionism and Service.

Lioness Rosie Haas, President

Burlington Lioness

The Burlington Lioness Club has 25 members who enjoyed a busy and active summer. In July we helped our Burlington Lions serve chicken at their chicken BBQ. On that same day we had our annual Lioness Bake sale. Both events were great successes as all the chicken and baked goodies were sold.

In August, with help from our Burlington Lions, our club made and served breakfast at the Burlington Airport Fly-in. The great weather helped to make this another successful fund raiser.

During the summer our past presidents began planning our 25th Anniversary Party. On Sept. 8th our club will celebrate 25 years of service and fellowship. We are honored to have our Affiliate District President Ls. Joan Post, her husband Chuck PDG, Affiliate District Vice President Ls. Nancy Palmer-Payne and her husband as our guests.

Of the 34 charter members, seven are still active and four of those have maintained 25 years of perfect attendance: Ls. Theresa Ahler, Ls. Romaine Degen, Ls. Margaret Henney, and Ls. Jane Mc Court. We are looking forward to a memorable evening.

Delevan Lioness

Greetings to District 27-A1 from the Delevan Lioness. Hope that you have had a safe and fun summer.

Our first meeting of the year was August 23, 2004, with 22 members in attendance and the possibility of a potential of a new member.

A shrimp boil was held this past summer. The club members worked at the Delevan Lions Corn Stand at the Walworth County Fair in Elkhorn on September 1st and 2nd.

The Southwest Area and the Hales Corner Lioness raised \$6,495.81 for the American Cancer Society Relay For Life. The canteen at the Relay For Life this year was in memory of PADPLs. Dottie, Ls. Brenda's mother.

We are proud of our members who are holding or have held a district office. Ls. Nancy Payne is Affiliate District Vice President and Ls. Barb Schultz is Affiliate District Treasurer. Ls. Mary Anderson is a Past Affiliate District President. We also have two other members serving on the District Cabinet.

Our fund raiser in June, selling tacos, taco salads and nachos, was a great success. We all had a good time working together. We worked a concession stand along with our Lions for four concerts at Alpine Valley Music Theater during the summer. Two members participated in Elkhorn's Relay for Life.

Our first meeting of this new season was held Sept. 8. Once again we are looking forward to another good year.

Ls. Marlys Badinger, Secretary

New Berlin Lioness (45 members)

We survived helping our Lions in the State Fair Corn Roast project, and as our president Chris Martin notes, we haven't received any resignations yet. Our Lioness are in charge of selling soda or bottled water at two stands located at either end of the corn sales area. For each shift we also provide a corn captain and a soda captain who oversee the daily operation and needs of the volunteers and club members who lend their aid.

The Lions scheduled Sept. 11 for their thank you steak dinner served to adult helpers. Our Lioness also helped with this event.

Starting Sept. 8, our regular meetings are being held at the New Berlin Hills Golf Course. For this first meeting members were asked to bring four wrapped gifts – not new but fun, something from home.

The members played a card game, Court Whist.
