KENOSHA DAYS OF DISCOVERY

The Lions and Lioness of Greater Kenosha participated in the second Kenosha Days of Discovery Maritime Festival August 4 - 8th, 2004. Selling Brats, Hot Dogs, Soda and Water, the Lions and Lioness really had to hustle to keep up with the crowds that numbered 50,000 for the 5-day event. The hungry festival goers spent over \$23,000.00 at the two Lion/Lioness booths making for a very successful fund raiser. After expenses the Lions/Lioness will have more than doubled last year's success. It is the hope of both clubs that the Kenosha Days of Discovery Maritime Festival will become an annual event.

Big Bend Vernon Lions at Muskego Festival

A mighty crew of BBV Lions served the hundreds of people at Muskego Festival on August 27, 28, & 29. They didn't let Saturday's rain dampen their spirits or their sales. By close on Sunday, they had sold out of brats, hotdogs, italian sausage, hamburgers, cheeseburgers, baked potatoes and nachos. This fundraiser helps to support many community service projects.

CHILDREN AND ADULTS IN THIRD WORLD COUNTRIES NEED OUR GLASSES . . .

Please make sure your Club is actively collecting used eyeglasses. The Eyeglass Recycling Center at the Foundation has sent recycled glasses to 49 other countries around the World. Can you comprehend not being able to see because you

need glasses and they're not available, or you can't afford them? We recycle eyeglasses "*so others may see*", and we can always use more. The collection containers are **FREE**, and not only serve as a way to collect glasses, but as a way to promote Lionism, as well. Keep those glasses coming! **To receive a banner patch, be sure to include your Club name with the glasses that are sent to the Center.**

YOUR CLUB'S ANNUAL DONATION . . .

When you vote on your Annual Donation to the Foundation this year, please remember the cost of living has increased over the years. As an example, if you gave the Foundation \$1,000 in 1990, it will take over \$1,500.00 to equal the same purchasing power today. **And always remember, we are doing this for the kids.**

WISCONSIN LIONS FOUNDATION, INC.
LIONS PRIDE CAMPAIGN
QUESTIONS AND ANSWERS

1. *What is the Lions Pride Campaign?* The goal of the Lions Pride Campaign is to help secure the future of Wisconsin Lions State-Wide Projects. This will involve creating and growing a restricted endowment fund to \$25,000,000 over the next five years.
2. *What is an Endowment Fund?* An Endowment Fund is money that is put aside and held in a safe account. Only the yearly earnings (interest), are used for the funding of projects. As an example, if it costs \$600 to pay for a week of Lions Camp for one camper, an Endowment Fund of \$15,000 would have to be created. At 4% interest per year, this fund would generate the \$600 to pay for the one Camper for one week. This concept is just like individuals setting aside money for living at retirement. Ideally, enough money is set aside so the principal is never touched, and they can live on the yearly earnings.
 The Lions Pride Campaign will remove WLF's dependency on Clubs' Annual Donations for its funding. Currently, Annual Donations aren't enough to pay for the Summer Camping Project. What will happen if Clubs continue to lose members? What will WLF do if fundraising becomes more and more difficult? WLF would have to cut projects or limit the number of people the Camp serves. This also applies to the other Lions State Projects as well. (Sight, Hearing, Youth etc.)
 An Endowment Fund of \$25,000,000 at 4% will provide \$1,000,000 in interest income per year. At 6% it will provide \$1,500,000 or close to what the total current WLF budget is per year. The \$25,000,000 would not be used other than to earn interest and would be there on a yearly basis.
3. *Does this mean Clubs' Annual Donations will no longer be needed?* No, not at all. Annual Donations will still be needed for the operation of the Foundation. Just like Leader Dogs for the Blind, and their very large Endowment Fund..they still solicit donations. Annual Donations may also be used to fund new projects that will benefit and serve the Lions of Wisconsin. What if it was decided to create a Lions of Wisconsin All State Band, or offer a leadership training program so every Club could be trained? What about creating an emergency fund so Clubs could apply for grants to meet their community needs when they are low on funds?
4. *Some have stated that if an Endowment Fund of \$25,000,000 is reached, LCIF will no longer give any more grants. Is this true?* Nobody knows at this time. LCIF has donated grant monies in the past, based on need and the value of a project. It can only be assumed LCIF will continue and assess each request based on what it will do for the people served. However, there is no guarantee that LCIF will continue to provide grants. If WLF is able to fund all Projects with their own Endowment Fund, this would free up more LCIF grants for Districts. LCIF grants could be used for new projects to serve even more citizens of Wisconsin and the World. Wouldn't it be nice not to have to rely on LCIF for funding?
5. *Are Clubs or individual members going to be billed or assessed an amount so the program can reach its goal of \$25,000,000?* No! Donations to the Lions Pride Campaign are being sought from clubs, individual members, foundations, corporations, and members of the public, who have the resources (money), believe in what the projects are doing, and wish to make a donation. For 48 years, your Foundation (WLF) has relied on Clubs to fund the projects. The Board of Directors has decided it needs to expand the fundraising efforts and ask for help from outside the Clubs.
6. *Is there enough money out there and will this Campaign interfere with individual Clubs fundraising efforts?* Last year in Wisconsin alone, \$3,700,000,000 was given to charity. To reach goal, \$5,000,000 is needed per year for the next five years. On a percentage basis the Campaign needs less than 1% of the total monies given per year to reach goal. This effort is directed at a totally new group of donors, so there should be no interference with local efforts.
7. *Are there other benefits to Wisconsin Lionism from this type of Campaign?* Most definitely! Campaigns of this type are successful because of the publicity generated. The State Projects of the Wisconsin Lions literally change people's lives. Throughout the Campaign, these individual stories will be told over and over again. This will make membership recruitment and fundraising easier in individual communities.
8. *What is the structure of the Campaign? How does all of this happen?* A steering committee has been formed with Lion Dewey Carl as its general chairperson. The steering committee develops the policy and procedures of the Campaign; it is then approved and endorsed by the Council of Governors and the WLF Board of Directors, and then implemented.
9. *Where does the money for the expenses of this program come from?* This is a self funded program. Money for the expenses will come from the earnings of the donations made. The cost of this type of Campaign generally runs anywhere from 4 to 15%. The Lions Pride Campaign has a current budget of just over 4%.
10. *Will there be special recognition for those who donate?* Certainly. The Campaign Steering Committee is putting ideas together for the recognition.
11. *This all sounds good but what are the real chances of success?* The Steering Committee has set the goal of gifts starting at \$15,000. (\$3,000 for 5 years.) To reach goal, 1,667 gifts are needed over the next five years. Lions, Lioness, and Leo membership is approximately 25,000. The total population of Wisconsin is 5,490,718. The percentages are certainly in our favor. The state projects offered to the citizens are certainly worthwhile and beneficial. We have to tell our story, provide the tools to receive the funds, and ask for the gifts. What do you think?
12. *To learn more see your District Governor, your WLF Director, or call the Lions Pride Campaign office, toll free at 877463-6953.*
