

**Hi to all my fellow Lioness,**

I am Ls. Barbara Schultz and am running for the office of Affiliate District 27-A1 treasurer for 2005-2006. I currently hold that position and would like to continue to serve our district.

I have been an active member in the Eagle Lioness Club for 16 years. I currently am the club's president. I have also served as 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> vice president, then president, treasurer for three years, skirt twister and board of directors. I have also been chairperson for Kettle Moraine Days, Lunch With Santa and the Lions' Golf Outing.

I have been married to William for 35+ years. We have 5 children, 7 grandchildren and 2 great-grandchildren. My hobbies include a lot of travel. Some of our children live in New York, Georgia and South Carolina so we try to hit them all at least once a year. I also work part time as a teller at Bank One in Eagle.

It would be my honor to serve you again in the future year.

Thank you,

Barbara Schultz

The Franklin Lioness Club celebrated their 25th year as a service Club in the City of Franklin on October 24, 2004. The celebration was held at the Hideaway Restaurant in Franklin and there were about 60 people in attendance.

We have five charter members who still belong to our Club; namely, Lionesses Virginia Barg, Maxine Eddy, Mae Klase, Janet Mohrhusen and Beverly Yahnke.

Lioness Virginia Barg was awarded a Birch/Sturm Award in the amount of \$1,000.00. This money is used by the Wisconsin Lions Foundation to help those in need.

### Tichigan Lake Lions Club

Our club has been in existence for 31 years and has taken an active role in many community events. One of our annual events is our local Lion's parade that Lion Bob Langmesser started up seven years ago. Many of our members participate in the actual parade including myself with my 1930 Model A. This parade has grown in volume of participants and parade watchers with every passing year. We plan to continue to grow this wonderful event. One of the community outreach programs we run is our blood drives we hold twice a year. One service we offer is to loan out a large assortment of medical equipment for anyone in need of wheelchairs, hospital beds, canes, walkers, etc.

Our biggest fund raiser for our club is the bingo nights we hold every first and third Thursday of each month. Some of the other various fund raising events include selling raffle tickets during our Hunter's Ball, Casino night, Fishing Contest, and our very popular Daytona 500 Party and Raffle. We also have a member who owns a stock car that we help sell tickets for numerous races during the stock car season.

We are a relatively small but very active and proud Lion's Club here in Tichigan Lake, WI. I hope this gives you at least a brief insight to some of the many activities we are involved in to better our community.

Respectively,

Second Vice President Tichigan Lake Lion's Club

The Oak Creek Lions Club held its 7th annual "Breakfast with Santa" on December 5th at their festival grounds. This event, which was free to all Oak Creek residents, is in appreciation of all who attended the Labor Day Lions Festival. Friday night and Saturday there will be an area set aside for pin trading and a place where all Lions and Lioness can sell tickets and other products to convention attendees.

Saturday evening will be the closing banquet with ID Lion James Sherry being our guest speaker.

Please attend. You can not enjoy this camaraderie and learning unless you do and please do not use this letter as your program. Use the Convention book. Remember you can register right up to and after the start of the Convention.

Last issue I started a little district contest on some legal aspects of Lionism. The purpose is get Lions all over the district to educate themselves in the legal areas. These statements will be simply true or false. Any member or any club can enter. There will be 7 to 10 statements each month and your answers have to be to me by the first of the next month. The winner will receive an award at the District meeting during the State Convention. Because there was a mix-up and my December letter did not appear in the Pride I am repeating those statements in this issue. (My entire December letter is on the Web site)

December statements      True or False

1. All persons of legal majority may join a Lions club.
2. A majority of club members must approve an application for membership.
3. A member is "official" once approved by the club.
4. A member may be expelled by a majority vote of the club membership.
5. Club Branch members are "associate" members of the parent Lions Club.
6. All Lions Clubs must have a Lions Tamer and a Taitwister.

7. A Club may approve a deficit budget so long as it has sufficient funds in the contingency account to cover the deficit.

January statements      True or False

1. A privileged Member may be elected as a Club Officer.
2. A Lions Club is not assessed by LCI for honorary members.
3. A member at Large is not entitled to vote at any club, district, or international meeting or convention.
4. A life Member of a Lions Club automatically becomes a Life Member of another Lions Club upon relocation to a new community.
5. An Associate Member may be charged Club dues in both the primary and associate clubs.
6. An Affiliate Member can only be elected to an office at the Club level.
7. A Lions Member can be a member of another service club of like character ( e.g. Rotary).

GOOD LUCK!

## YOUTH EXCHANGE

Fellow Lions, Lioness and Leo's, our District Convention is rapidly approaching. One of the important facets of the convention is "The Parade of Checks". As Youth Exchange Chairpersons, we want to thank all the clubs for they're past support and hope that you will remember us for this coming year. If your club has not been a supporter of the Youth Exchange program, we ask that you consider us in your budget. Any donation would be appreciated.

The Youth Exchange program is both an International Lions program, along with Quest and others, and a State sanctioned program. This program supports the MD-27 Wisconsin Lions YE camp in Dundee, Wisconsin, one of the 15 Lions Youth Exchange camps in the United States.

The 2005 camp will be held on 24 – 31 July. During the camp week, the campers will visit the State Capitol in Madison, the Eye Bank and the WLF camp in Rosholt. Volunteers staff the YE camp. There are NO paid positions!

Please keep in mind that these youths that attend our camp will be the world leaders of tomorrow. Our camp theme is: **World Peace and Understanding**. Our motto: **One camp, One week, One World**.

We are looking forward to meeting you at the District Convention.

Lions John Ziino and Ken Bittner

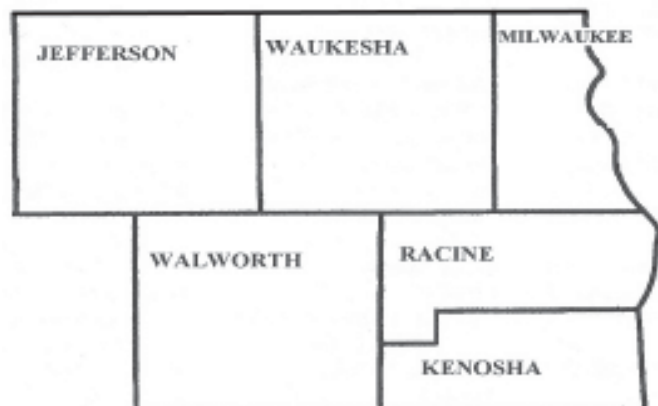

## Williams Bay Lions Club

The Williams Bay Lions Club presented \$300 to the Barrett Memorial Library to purchase large print books. The library through the Lions Club donations, will be able to increase the collection of books available to those who need large print text. This yearly contribution is another example of the Lion's Club motto "We Serve". For information on joining the Williams Bay Lions Club, contact Lion Joe Reed, Membership Chairman at 262-248-1314. Pictured left to right: Lion Jim D'Alessandro, Lion Nick Caselli, Ann Becker of the Library, Lion President Peter Saaf, and Lion Chuck Hoette.

## The PRIDE COVERS SIX (6) COUNTY AREA

Did you know that our Pride Ads have a distribution of over 2,400 readers in the six counties shown below. If every one of the 57 clubs in the District sells just one business card size ad at \$120 for the year we would see over \$6,800.00 revenue to help offset the cost of printing the monthly Pride.

## Fort Atkinson Lions Club

The Fort Atkinson Lions Club will celebrate it's 75 years of humanitarian service April 23, 2005. The International Charter was presented to club President A.J. Glover by District Governor F.V. Birch April 29, 1930.

The gala celebration was attended by 315 Lions and Lionesses from area communities. The 70 new members were sponsored by clubs in Milwaukee and Janesville. The keynote address was made by John F. Baker, President of the Milwaukee Lion's Club. Verbal bouquets were presented by visiting club presidents as Lion Tamer Russell Frost led the audience in Lions song between speeches.

DG Birch went on to become an International President, and Fort Atkinson became one of the largest clubs in Wisconsin.

In 2004, only thirteen clubs throughout the world celebrated 75 or more years of existence, so Fort Atkinson Lions Club will share the international spotlight with very few clubs. The 99 members are busy planning a banquet, and will extend an invitation to Lions, Lionesses, and Leos in District 27-A1 and elsewhere. They are also in the process of selecting a main speaker. Suggestions are welcome.

## Paddock Lake Area Lions Donate

Lion Joyce Myers, President of the Paddock Lake Area Lions, presents a \$1000 check from the club to Mrs. Naney Friedrich, mother of seven-year-old daughter Reagan, to help with the expenses involved in Reagan participating in an intensive physical therapy program at Lion Joyce Myers, President of the Paddock Lake Area Lions, presents a \$1000 check from the club to Mrs. Naney Friedrich, mother of seven-year-old daughter Reagan, to help with the expenses involved in Reagan participating in an intensive physical therapy program at The Euromed Center in Milano, Poland.

Regan, a triplet born with cerebral palsy, uses a wheelchair to get around. She dreams to be able to dress herself, eat with a fork and spoon, have people understand her speech, get things for herself, and even walk. The program in Poland was developed for people who have cerebral palsy and has the potential to help Reagan achieve her dreams.
