Passion to Excel

My fellow Lions, Lioness, and Leo's. I hope this article finds all of us in the best of health and great spirits.

The New Year is off to a fast start with all the new programs and plans from Lions Clubs International. **Membership** will receive the highest priority with the new **Mission 30** program and the **Plus One program**, one new member per club and one new club per district. If every Lion in the district would ask just one person they know to become a Lion, we will make that goal. Our **MERLO** Team will also be working on these goals under the capable leadership of our Vice District Governor Dave Hempel. The Mission 30 Chairman for the District is Lion Gary Stewart, you will be hearing more on this program soon.

The second new initiative is **Sight First II**. The goal is to raise \$150 million to cure preventable blindness around the world is truly worthy and we will be laying the groundwork this year. "The real leader has no need to lead- he is content to point the way." –Henry Miller. That is enough of Lions Club International for now tile next month.

As I said last month the Governor, Vice Governor, and Cabinet members are here to serve the **District FIRST**. I would like to call your attention to the club District Governor visitation form in this issue of the Pride. Please fill it out and return it to me as soon as possible. Also please advertise your up coming club fundraisers and special projects in the Pride magazine. Remember that the advertisement and articles must be in by the 10th of the month to be published in the next issue of the Pride.

Linda and I would like to thank the Bay View Lions club for inviting us to take part in the South Shore Water Frolics Parade, it was a lot of fun and we were able to meet a lot of fellow Lions, Lioness, and Leo's who were working and visiting the Frolics.

Linda and I will be out visiting as many fundraisers as possible this summer so please drop us an e-mail, note, or phone call letting us know were and when, and we will try to be there. "No matter how much work a man can do, no matter how engaging his personality may be, he will not advance far in business if he cannot work through others."- John Craig. I plan on working through your Cabinet members namely the Zone and Regions chairs at first. In fact we have already gotten together, and set up the agenda for the year, they will be brining it to the clubs meetings this fall.

The 2005-2006 MD 27 State directory will be in the hands of your Zone chairman by the first of August. Presidents and Secretaries please contact Zone chairs for your copies.

Our first cabinet meeting is set for August 7, 2005 11:00 am social, 12:00 pm lunch, and 1:00 pm meeting at the South Milwaukee Communities Center.

In the Service To You,
Walter J. Natynski DG

Training for Lionism

Lion Dave's Corner

I HOPE ALL OF YOU HAD A GREAT 4TH OF JULY!

Hopefully you took a moment to remember those who have served and sacrificed to make this country the greatest on earth!

As I traveled around during the last month attending honors dinners, doing officer installations, attending your fundraisers and East Troy Lions 4th of July parade and celebration I was impressed and at the same time concerned by what I observed. We, as Lions, work very hard raising a lot of money to serve our communities and people in need. We are the best charitable organization in the world. This is a tremendous legacy and it is our duty and responsibility to pass this legacy on to the next generation of Lions.

BUT WHO WILL BE THERE TO RECEIVE THIS LEGACY? Many of you have voiced concern that your membership is aging, you are not attracting enough quality new members and when you get new members it is difficult to keep them.

We as Lions need to start thinking of our clubs as being like a business. No business, large or small, can function efficiently or profitably without recruiting, training and keeping a quality workforce. Every successful business plans and implements programs to accomplish this objective. We as Lions Clubs, if we want to survive, must do no different. We cannot just talk about the problem; we must put effort into it. We need to understand it will not be easy. If we need help, we need to ask for it. There are many resources available; there are many clubs doing a good job in building their club, talk to those clubs to see what they are having success with. Your MERLO team is available to work with you in designing and implementing membership programs. The international website has many supplies available to your club at no cost.

ONE LAST THOUGHT

On my visits I have been reminded by many Lions friends to be careful not to catch the DG/VDG disease! I said, no chance and they responded, yah right! Soooo, I will bet any Lion in the district I will hold my weight this year and next. Here are the rules;

- *I have weighed in, 256.
- *July 1, 2006 is next weigh-in.
- *Maximum bet \$5.
- *I will match at \$.50-1.00.
- *Max match \$500 each year.
- *All proceeds to WLF

Mail or e-mail me you bets. I will track and report to you at a future date.

We can have some fun and raise some money for the foundation. Lions Greg and Dan are lining up their bets already.

REMEMBER WE SERVE

This is our motto and I am here to serve you. Please feel free to contact me on any Lions issue that concerns you.

HAVE A GREAT LIONS YEAR!!!!!!

VDG DAVE HEMPEL

AFFILIATE DISTRICT PRESIDENT

Dear Lioness, Lions, and Leos

Hope everyone is enjoying these summer months. Family gatherings, reunions and Lions/Lioness activities dot our calendars. My year as Affiliate District President got into full swing with the July 4th weekend. I visited and participated in the East Troy Lions Parade & Fest, which next was followed by a visit to the Fourth of July Festival at New Berlin's Malone Park.

Officers Training School held June 21st in Elkhorn was well attended. There were over 80 in attendance representing 16 clubs. Thanks to Lioness Donna Johnson and Lioness Mary Squire and to Lioness Kathy Reed for arranging for the facility. The committee strives to make the evening an informative event. If you have any suggestions for the next years OTS please forward your comments to them or to me.

Plans are underway for the Fall Dinner to be held Sunday, October 16th at the Starlight Banquets facility, Hwy 50, Delavan. Clubs will be mailed an invitation and response form in August in preparation for your September meetings. The Fall Dinner is an opportunity to meet and share with Lioness from other clubs in the District. This is primarily a social event to encourage clubs to get to know each other and your Cabinet. Please plan to attend, perhaps during the social time you might meet with other clubs to share project ideas. Come and help get the Lionistic year off to a good start and have a great time. I hope to see every club represented.

Mark your calendars for the third annual District Halloween Bash on October 29th. This year it will be at the New Berlin VFW. More information will follow as details are finalized.

Yours in Lionism,

Lioness Nancy Payne

The PRIDE COVERS SIX (6) COUNTY AREA

Did you know that our Pride Ads have a distribution of over 2,400 readers in the six counties shown below. If every one of the 57 clubs in the District sells just one business card size ad at \$120 for the year we would see over \$6,800.00 revenue to help offset the cost of printing the monthly Pride.

Catch The News...

**AFFILIATE
DISTRICT
VICE
PRESIDENT**

Dear Lioness, Lions, and Leos,

It seems hard to believe that the summer is coming to a close already. There were so many great times to be had at all of your festivals and dinners. I was able to make two of the walks for cancer this summer, one in West Allis and one in Elkhorn.

As Affiliates District President Nancy mentioned, the Lions' camp has changed a lot. Those of you who made it to the open house on July 24 saw first hand where our money is being spent to enhance the lives of many people with disabilities. The trails are marked so the blind can find their way, the ropes to jump in the lake are for the strong and daring, the pontoon ride is for the laid back personality (like my own), giving visitors the experience of enjoying the scenery, daydreaming and making new plans for the future.

Look at what we can do as a team with a common cause. So many people ask what our club stands for? Why do we continue year after year to volunteer hundreds of hours for free. Inner satisfaction is all I can come up with for an answer.

Some have asked what my slogan means: First Snow What You Expect From Lionism. Take the time to remember why you joined Lioness in the first place. Was it for community service? Was it because of a friend you enjoyed keeping company with? Was it because you felt a need to do something during war times that would make a difference in people's lives right here at home? Friendship, compassionate service, dedication, and endless FUN, is a good answer. Snow is of course a play on words. I love the first snowfall. I can watch the snow float down for a long time. (Then call someone else to shovel it! Ha Ha!) I hope others understand my passion for soft fluffy white crystals.

I went to the fall dinner meeting and it looks like fun for all. I hope people are marking their calendars and planning to attend.

Lioness Chris,
Affiliate Vice President

Clubs scheduled to report for the September issue are: Delavan, Greater Kenosha, Lake Mills, Palmyra, Williams Bay and Waterford.

DISTRICT A-1 LIONESSE, ALL ABOARD!!!

First destination: Lake Geneva Lioness

(56 members)

The club change-over was held on July 20 at Ls. Anna Guske's home. We get together each July to say thank you to the past officers, and celebrate and support the incoming officers with a pot luck dinner. It is a wonderful event and enjoyable to see everyone during the summer.

August 17 through August 21, we will be assisting the Lake Geneva Lions at the corn roast at the Venetian Fest. The Lions manage to get some of the tastiest corn in Walworth County every year.

September 7 brings us to the start of a new and energetic year for the Lioness. Ls. President, Pauline Malsch has her hands full with one of the largest memberships in years. We will be changing our process in aiding Needy Families. This year we will contact the churches and other places of worship to ask their input on deserving families. We think this will be a more personal way of distributing the items for the people in need.

November 19 is our annual fashion show, and we are pleased to say that we usually sell out by October 15. Buy your tickets early.

Ls. Laurie Anderson

Second Destination: Caledonia Lioness

Well, this will be "short and sweet" as we are kind of "shutting down" for the summer. We helped our Lions at the Chocolate Fest in Burlington tending at the beer bar (guess that's where the sweet would fit in). We will also be helping out at the Raymond 4th Fest selling sweet corn (another sweet), and rib sandwiches (I think they are short ribs).

We had installation of our officers for the incoming year. L. Dan and Ls. Sharon Eberhardt did a great job, as usual.

Hope everyone has a great summer. Talk to you all in the fall.

Ls. Doris Hintz, secretary

Third Destination: Franklin Lioness

(16 members)

The Franklin Lioness Club is on the move, and on the right track. Our president, secretary, and treasurer received 100% certificates at the Recognition Banquet for the year 2004.

In the month of May, six scholarships were awarded. High school graduates and continuing education adult applicants were among the recipients. The awards ceremony was held at the Franklin High School Library on May 18. Our annual October Craft Fair, held at MATC, funds these scholarships.

A combined installation dinner for the Franklin and Hales Corners Lioness Clubs was held on June 15 to install new officers. The Franklin Lioness Club's new officers attended the training session that same month.

July brings a time for social activities. The members will enjoy a picnic in Legend Park.

Everyone needs a small break, so August is ours. But come September, we will be on the move again. "All Aboard!" to all you Lioness. See you at the next destination.

Ls. Jackie Glanzmann, president

Editors' Note: Thank you to all who organized the Officers' Training Session. It was very informative. Also, it is an excellent opportunity to meet officers from the other clubs- great networking.

Fourth Destination: Waterford Lioness

Sunday, September 25 is the date for an English Tea and Fashion Show hosted by the Waterford Lioness at The Cotton Exchange. This promises to be an enjoyable afternoon beginning with the luncheon at noon. However, doors will open at 11 a.m. The menu includes quiche, salad made with fresh fruit, scones served with lemon curd, Devonshire cream, and various teas.

After lunch, local celebrities, community leaders and Lioness members will model trendy fashions from eight different shops. Sports wear, business attire as well as evening wear will be included.

The afternoon will conclude with more tea and tempting miniature desserts.

A teapot filled with a tussie mussie will be the centerpiece. One lucky winner at each table will be taking one of these home. There will also be lots and lots of raffles.

All proceeds from this event go to the Waterford Public Library, the Waterford Fire Department and the Waterford High School Scholarship Fund.

Tickets are \$20 and may be purchased from Maureen McGowan, 262-534-6850. Tickets will be sold in advance only.

Ls. Maureen McGowan

Fifth Destination: New Berlin Lioness

On May 27 the Lioness held a Men's Appreciation Night at the Miller Brewery. This evening included a brewery tour and then snacks and of course, BEER. This was well attended- a great time was had by all.

July 3 and 4 the Lioness were at the celebration at Malone Park selling our pork sandwiches, hot dogs, and beverages.

On July 16 the Lions held a Lioness Appreciation Night at Miller Park. The clubs met for a tail gate party and then the game. Another evening that was well- attended and a great time.

Twelve of our members formed a team for the Relay for Life held in West Allis on July 15-16. Also three of our members were at the Walworth County Fairgrounds helping with their Relay for Life on July 29-30. What an opportunity to help the American Cancer Society!

The New Berlin Lions' Corn Roast Stand is definitely a Wisconsin State Fair tradition. It is also a busy time of year for us, this being our biggest fundraiser. The Lioness work behind the scenes keeping those butter pots going, but we also sell soda. Please stop by and enjoy a cob of our delicious corn and an icy cold beverage.

Ls. Irene Schelman

Sixth Destination: East Troy Lioness

(25 members)

The East Troy Lioness are having a busy summer. They built a float for the East Troy Lions' Fourth of July parade. This float celebrated the writing of the Star Spangled Banner. This Lioness won FIRST PLACE for all of their many hours of hard work.

The construction crew: Ls. Joanne Rasmussen, Jean O'Brien, Karen Pugh, Lori Janny and Cindy Cichon.

Awesome job!!!! BRAVO!!!!

Riding on the float were the new officers: Ls. President Joanne Rasmussen, First Vice-President Ls. Kathy Frymark, Second Vice-President Ls. Cindy Cichon.

The East Troy Lioness have a great group of Lioness who attended the Relay for Life held at the Walworth County Fairgrounds on July 29-30.

The Lioness are sponsoring Bingo games at Kiwanis Manor on the third Tuesday of June, July and August. They will also continue to run the snack stand during Bingo on the first and third Wednesday at the Lions' Lodge.

Affiliate District President Ls. Joan Post installed the officers. New officers are: First row, Ls. Cindy Cichon- second vice president, Ls. Kathy Frymark- first vice president, Ls. Joanne Rasmussen- president, Ls. Amy Block- secretary. Second row, Ls. Lori Janney- one year director, Ls. Jean O'Brien- corresponding secretary, Ls. Barb Nowatske- immediate past president, Affiliate District President Ls. Joan Post, Ls. Karen Schwall- two year director, Ls. Norma Schwall- treasurer, Ls. Jan Brady- skirt twister, Ls. Joan Welch- three year director.

Immediate Past President Barb Nowatske gave special recognition to four of our members who have given over 20 years of service to the East Troy Lioness. Left to right: Ls. Norma Schwall- 22 years, Ls. Bobbi Collamore- 25 years, Ls. Barb Nowatske, Ls. Joan Welch- 37 years. Not pictured is Ls. Lois Crubaugh- 37 years.

Passion to Excel

DGE Seminar Theme

DGE Seminar Theme Information

Passion to Excel

Lions are passionate about serving humanity. This passion is manifested in the many programs and activities carried out by Lions to improve communities and provide assistance to those in need. First International Vice President Mehta recognizes that passion is powerful. The 2005-2006 International program, *Passion to Excel*, celebrates the passion inherent in all Lions while renewing our quest for excellence.

The program invites Lions to revitalize their passion for excellence in five key areas: service, growth, leadership, promotion, and performance.

- . **Passion to Serve** - Service is the foundation of Lions Clubs International. Through avenues such as SightFirst, Lions Quest, Lions Services for Children, environmental awareness, and other adopted service programs, Lions can reach even greater levels of excellence in service.
- . **Passion to Grow** - Service is not possible without members. And, increased membership translates into greater service by Lions clubs. A new initiative, entitled Plus One, emphasizes the power of one in growing membership: when each club grows by just one member, and each district by one club, 60,000 additional Lions will be available to serve humanity. Lions must also amplify the role of women in the association and advance the growth of our future leaders through Leo clubs. To excel in providing service, Lions must be passionate about membership growth.
- . **Passion to Lead** - Leadership is essential to the present and future success of Lions Clubs International. Lions serve best when supported and inspired by effective leaders, and when they have the opportunity to become leaders themselves. Excellence in leadership arises from quality training of officers and Lions faculty, and successful orientation programs for new members.
- . **Passion to Promote** - Lions routinely accomplish great things, often with little or no public awareness of their efforts. Several forms of media, including the Internet, are resources that can be used to expand public knowledge of Lions Clubs. Promoting the service of Lions clubs is also an effective way to attract new members.
- . **Passion to Perform** - The passion to perform humanitarian services for others is at the very heart of Lionism. Lions Clubs International Foundation is just one successful example of Lions reaching out to the world. The programs of LCIF have touched millions of people in countless ways. May the passion to excel in humanitarian services never cease to inspire Lions to find innovative new ways to help humanity.

The passion of a Lion is not to be underestimated. It is passion that drives Lions to give so freely of themselves, their time, and their resources in deference to others. It is passion that has made Lions Clubs International the world's largest service organization. And it is the goal of the 2005-2006 International Program that passion may continue to unite Lions throughout the world in a common mission, a quest for unparalleled excellence, a *Passion to Excel*.

Pride Thoughts

"If you Want Happiness"

- If you want happiness for an hour,
take a nap.
- If you want happiness for a day,
go fishing.
- If you want happiness for a month,
get married.
- If you want happiness for a year,
inherit a fortune.
- If you want happiness for a lifetime,
help others.

~ Old Chinese Proverb

The Chairman Speaks . . .

This proverb is what the Lions Pride Campaign is working to accomplish - helping others for a lifetime.

The members of the Campaign Staff and Lions throughout Wisconsin are asking people and corporations to give and give generously.

How can we ask others to give if we have not lead by example? An example set by us individually and by our respective clubs. If you believe in the Lions Pride Campaign and want to benefit Wisconsin Lions Camp and the other Statewide Projects move toward financial freedom, make your personal commitment now.

As we step forward and approach corporations and foundations around the state many will ask if the local Lions Clubs are supporting the Campaign financially. We hope our answer will be a resounding Yes! As your clubs develop their budgets for the upcoming years, please consider endowing a camper. A five year commitment of only three thousand dollars ensures a campers spot forever.

We all really fall into two categories. We are either interested or committed. I am proud to be associated with the Campaign and I am COMMITTED to its success. Are you?

Together and with your Clubs, we can make this Campaign an huge success.

Join the Pride!

27-A1 Past District Governor Claude Johnson and Affiliate District President Nancy Payne in the East Troy Parade.

On Sunday, July 3rd, 2005, Li'l Joe rolled down the streets of East Troy. Li'l Joe was designed and made by Lion Ken Mann. He donated the train to the Big Bend Vernon Lions Club in 1983. The train has amused children and adults for decades. The caboose carries the Lions Motto, "WE SERVE" ON THE SIDE. Members and friends of the Big Bend Vernon Lions Club ride in Li'l Joe.

Greendale Lions

At their June meeting, the Greendale Lions awarded \$1,500 college merit scholarships to each of four Greendale High School graduates. They are, from left to right, Elizabeth Hines, Paul Bemis, Jacob Matschull and Xin Gu. With them are committee Lions Gil Smieja, Steve Schneider, Ken Czysz and Jack Spindler.

Li'l Joe's Engineer, Lion Bob Brandemuehl, Lion Ralph Heacox, and Lion Ken Mann are on board.

Line Mehlsen Christiansen of Denmark and Melike Kutlay of Turkey were hosted by Lion & Lioness Russ & Kathy Frymark of East Troy.
