# Training for Lionism

## Lion Dave's Corner

Greetings Lions, Lioness & Leos,

### HAPPY NEW YEAR!

This Lions year is just flying by! It seems like it just started and here we are halfway through the year. I want to remind you of our District Goals for the year:

- To build a district communication system. Please have your Club Secretary get your members e-mail addresses on the district e-mail list. Contact IT Chairman Jim Shelenske if you need guidance.
- Have every club do self analysis and put together a long range program for improving their projects and operations. If your club has not done this analysis, please consider doing this before year end.
- HAVE 5% NET GROWTH IN THE DISTRICT THIS YEAR! How is your club doing? How are you planning to meet this goal?

LEADERSHIP CONFERENCE is being held by the multiple district again this year February 24th & 25<sup>th</sup>. There will be sessions on Speaking, Conflict Resolution, Listening, Changes in Lions and Power Point. If you have Lions, Lioness or Leos in your clubs who would be interested in building their leadership skills, get their names to me ASAP! There is limited space so first come, first served.

DISTRICT CONVENTION is coming up January 19-20. I hope ALL clubs have a good representation. The theme for Friday night's hospitality is Tailgate Party, come dressed in your favorite team colors. The Saturday sessions will start at 8:30, they will be very informative, don't miss them. For the PARADE OF CHECKS we have the following suggestion; the Disaster Fund is flush so please direct those contributions to the Hearing Fund which is in dire need.

We will be honoring the Club Presidents, Secretaries and Treasurers at the Governors Banquet again this year. It would be great if every club could send their officers to be recognized and thanked for their service this year.

Dear Lions, Lioness and Leos,

This month there will not be an article from VDG Gary Stewart due to his recent illness.

VDG Gary has had 3 episodes of pancreatitis, the last one landing him in Froederdt Hospital. The good news is they think they have found what is causing the problem. Gary will need surgery as soon as they get his strength built up which will hopefully be in a few weeks. Your cards and prayers will be appreciated!

VDG Gary wanted to remind all of you attending the convention to be sure and attend the MERLO sessions being offered. Many great ideas will be shared to help your clubs with membership growth and retention. We will also be conducting a leadership session to develop leadership skills for Lions and Lions Clubs.

Dear Lions, Lioness and Leos,

For those of you who brave the cold and snow each year to District convention I applaud you. I know the die-hards by the way they shake hands extent slaps on the back and even share hugs. The feeling is wonderful. To see so many of you willing to put in the extra time it takes to put a convention together is rewarding. Anytime you need to please some 800 people or so, it's a challenge.

Of course the excitement of who is running for office, who will have District Bowling and how many raffle tickets are sold is also a part of the environment. There will always be too many speakers for any one person to see at one convention. Therefore, just plan on next year already!

One of my personal goals is to have the first timers double next year. It will be interesting to see if I'm right.

If you have suggestions for speakers or you would like to present a topic at one of our conventions please let someone know. Your Area Chairperson is a good place to start for communication of this type.

Again I can't speak highly enough of our District 27-A1 and how well we work together as a team for Lionism!

Peace, Health and Happiness,  
Always,  
Lioness Chris Martin  
Affiliate District President 27-A1

### From the Desk of the Vice President...

In December I attended a Christmas brunch where Cheryl Kirking was the speaker. Being Christmas, her inspiring presentation focused on the personal gifts we have to offer to make a difference in others' lives. I purchased one of the several books Ms. Kirking has written, *Ripples of Joy*, which is a collection of real-life stories.

I have to share the opening poem of this wonderful book with you since it depicts what we as Lioness do every day.

Drop a stone into the water  
And in a moment it is gone,  
But a hundred ripples circle on and on and on.

Say a kind word to someone  
And in a moment it is gone,  
But a hundred ripples circle on and on and on.

Share a loving deed of kindness  
And in a moment it is gone,  
But a hundred ripples circle on and on and on.

As I visit your clubs and read the PRIDE, I am constantly in awe of what all of you accomplish. You continually share loving deeds of kindness, and we never know what ripples our words or actions might make in the lives of others.

Wishing all of you many blessing during the New Year. Let's go make some ripples!

Lioness Irene Schelman  
Affiliate District Vice-President

### Caledonia Lioness (15 members)

Well, here we are again with the Holidays fast approaching! Where has this year gone?

Here in Caledonia we are still striving to keep our Lions fed and happy by cooking for their monthly dinner meeting. We also are playing Bingo once a month with the seniors in the Oak Creek Senior Residence. They enjoy all the treats and goodies we give them. We have donated to a couple of local food pantries to help ensure that the less fortunate have some good things to eat on their table that we so take for granted.

Lioness Barbara Loppnow PDP is now our new President, taking over for our past-president Michelle Kudlewski who moved from our area. I understand she has joined the Waterford Lioness and they are fortunate to have such a good member joining their Club. We are so pleased to welcome a new member to our Club. Lioness Geraldine Ulcek joined us a couple of months ago, and we know she will be a great new addition to our Club!

Well, that's about all I have to offer for this time around... Wishing everyone a very happy and Blessed Holiday!  
Lioness Doris Hintz, Secretary

### Eagle Lioness (21 members)

We gave \$1,155 to the Wisconsin Lions Camp toward the Health Lodge, sponsored Lioness Kathy Phinney in a walk for breast cancer and Lioness Marilyn Marks in a walk for diabetes. We also donated \$50 to the Palmyra-Eagle Community Band and worked a stand for the Aero Smith concert at Alpine Valley Music Theater on October 7<sup>th</sup>.

We are currently selling two-year calendars and note pads as a fundraiser. We are also helping a local woman who is raising four children, including a new baby, while her husband is in Iraq.

In November we welcomed a transfer member into our Club. Our members also attend the Fall Dinner, Hales Corners Lioness Inter-Club and Mukwonago Lioness Inter-Club meetings. We also cooked and served our Lions dinner meeting meal on November 13<sup>th</sup>.

On December 2<sup>nd</sup> a joint Christmas party was held with our Lions. Christmas baskets were given to two families and fruit plates to the elderly and shut-ins. We continue to bring food and paper goods to each meeting for the Eagle Food Pantry.

Wishing a very Happy New Year to all Lioness Clubs, from the Eagle Lioness.

Lioness Marlys Badinger, Secretary

## *A New Year's Wish*

President Eric Ender, the Board of Directors, and the entire Staff of the Wisconsin Lions Foundation wish everyone a Happy, Healthy, and Prosperous New Year! Please remember that it's because of the support we receive from each and every one of you that we can continue to help others in need. THANK YOU!!

## *Youth Service Project Awards*

**D**o you know a youth organization in your area that should be recognized? Any youth organization (not just Leo Clubs) performing a service project is eligible for this award — this is a fabulous way to recognize young people for making a difference in their communities. We need your help to make this project work. Applications were mailed to all clubs in December and the **deadline has been changed from March 1 to May 1, 2007**. Additional applications are available from your WLF Director or you can download them from our website – [www.wlf.info](http://www.wlf.info)

## *Deer Hunters*

### **DID YOU GET THE BIG ONE????**

**P**lease remember, if you scored big this year and want to put your deer hides to good use, the Wisconsin Lions Foundation can use them. A flyer was mailed to all club presidents in November that explained the procedure for preparing the hides, as well as information on who to call to pick up the hides. Last year, over \$40,000 was raised. For further information, call the Thorp Lions Club at 715-669-5588, or call the Foundation Office, toll-free, at 877-463-6953.

## *Health Lodge*

**WOW** – Have you heard the news? The necessary funding has been secured to start construction on the new Health Lodge at your Lions Camp. A big thank you goes to all Lions, Lioness, Lions Clubs, Lioness Clubs, Leo Clubs, non-Lions, and the Lions Pride Campaign Staff in achieving this goal. Construction officially started on Monday, December 11th; it's safe to say that by the time you read this article, the basement walls will have been poured and the site will be ready for backfilling. Construction will continue through the winter months, and the plan is to have the building ready for the 2007 summer camping season. Thanks again for your continued support!

Always feel free to call your WLF Directors or the Foundation Office, toll-free, at 1-877-463-6953 with questions!

## Big Bend - Vernon

On Monday, December 4<sup>th</sup>, members of the BBV Lions club put the shopping aside, the cookies down and took a night to enjoy what Christmas is all about. For the first time, the club hosted a Christmas Party for adults with intellectual disabilities from the Southern WI Center. The reward was overwhelming. The members of the club gave presents with their hearts which revealed the special qualities of the human spirit that the Lions are known for. Joy illuminated from the faces of the recipients. The wonderful SWC caretakers also joined the celebration.

Southern Wisconsin Center is located in Union Grove and provides residential care and treatment to Wisconsin citizens with developmental disabilities. The recipients grow mentally, socially and spiritually through their activities they exhibit boundless courage and enthusiasm, enjoy the rewards of friendship and ultimately discover new abilities. The Big Bend Vernon Lions were honored to have the guests from SWC join us in the Christmas Celebration and plan to make this an annual event.

Guests from the Southern WI Center take a moment from the fun to take a picture with Santa.

Santa distributes presents to a guest with President Joan Weber assisting.
