

Catch The News...

“We Serve Too!”

East Troy Lioness (26 members)
We installed new officers for the 2003-04 year at our May meeting held at the Cotton Exchange in Waterford. Our new President will be Dawn McCarthy, 1st Vice President Barb Nowatske, 2nd Vice President Joanne Rasmussen, Secretary Joan Welch PDP, Treasurer Amy Kurz, Assistant Secretary Jean O'Brien, Skirt Twister Karen Pugh, 1st Yr. Director Norma Schwall PADP, 2nd Yr. Director Cindy Cichon and 3rd Yr. Director Lori Janney. Congratulations to everyone and we know we're going to have a great year.

Past President Lioness Kathy Frymark presented our \$1,500 scholarship to a graduating senior at East Troy High school.

East Troy Lioness and Lions (plus friends and relatives) worked very hard during our annual 4th of July celebration. The weather cooperated up until Sunday, July 6th. Despite the rainy Sunday, it was a very successful event. An appreciation picnic for all participants in the event will take place in August.

Our Lioness will be playing Bingo at Kiwanis Manor Nursing Home on the second Tuesday in the months of June, July, and August. We will also be delivering meals on wheels to the elderly during the week of July 20. Our Club also pays for 2 weeks of meals for the seniors.

As you can see, our summer is very busy. We're all looking forward to our new Lioness year.

Ls. Jean O'Brien, Reporter

Dues Levy Reminder

Club Secretaries should be on the look out for the District 27-A1 Dues Levy semi-annual billing which is being sent to the Lioness Clubs. Make checks payable to: Affiliate District 27-A1, and mail the check to: Lioness Nancy Palmer Payne, Affiliate District Secretary, 711 Old Prospectors Trail, Eagle, WI 53119

County Road ES, #4
Elkhorn, WI 53121

District 27-A1 LEOs

Hey guys! That was so much fun, we need to come again next year! I looked back and smiled, listening to the chatter, as I drove a carful of chattering teens home from this years Leo Fun/Work Day at Lions Camp in Rosholt, WI. The Leos were so excited after a day at the camp.

The morning was started out with doing all the hard cleaning work around the camp. We got a chance to do a little of everything from taking out the canoes onto the lake, cleaning up the brush and helping in the Eyeglass Recycling Center. One of the highlights for the kids was seeing all of the glasses that come in and have to be cleaned. The best part about cleaning glasses for them was seeing how many styles of glasses there were and of course, trying them on.

Not only were the kids working, but also the advisors! Seeing the adults starting to make a bigger pile of brush motivated a few of the younger guys to make a bet with them on who could get more done. As deciding judge, it was fun to see the friendly competition. In the end, it was decided that both groups were tied. Their reward, first in line to lunch! There wasn't much talk at the lunch tables as everyone was busy eating. Most of them didn't realize how much hard work they'd accomplished, *and it was only halfway through the day!*

After lunch, we were set loose to explore the Lions Camp Lake. The kids made a mad dash for the life vests before heading for the canoes and paddleboats. With all the splashes and playful taunts, it was quite apparent that **no one** was coming back to shore dry. Needing time to dry as well as relax, the kids then went on wagon rides around the camp. They were in awe at how much space the camp actually had.

I know that I, as Leo District President, was very happy that the Leos from our District were able to participate in such a rewarding experience. It was good for kids from our District to be able to meet kids from the rest of the state who all had the same purpose as they did, serving our community.

Angela Eberhardt
District 27-A1 Leo President

Lions Eyeglasses Recycling Facts

The Lions Eyeglasses Recycling Program was adopted as an official service activity of Lions Clubs International in October 1994. However, Lions have been recycling eyeglasses for more than 70 years. The goal of the program is to meet the demand for quality eyeglasses in developing nations. Currently, it costs less than US eight cents to provide someone with recycled eyeglasses.

There are ten official Lions Eyeglass Recycling Centers in the world (six in the U.S., one each in Spain, France, Republic of South Africa and Queensland, Australia).

Lions volunteer their time and services to prepare the

eyeglasses for distribution, cleaning and categorizing each pair by prescription. Optical missions sponsored by Lions clubs and other groups distribute donated eye eyeglasses to needy people. In addition, programs have been established to train prisoners to prepare donated eyeglasses. These individuals are provided an opportunity to learn skills for use when released and the satisfaction of knowing they are helping others.

The Lions Eyeglass Recycling Centers also instruct Lions how to properly dispense the eyeglasses. When training is completed, the recycling centers continue to provide eyeglasses to the local Lions responsible for managing their respective programs.

All types of eyeglasses and sunglasses, prescription and non-prescription, are acceptable. Exceptionally strong or weak prescriptions are needed. Reading glasses are very useful because many recipients are in need of visual correction to help them perform close-up tasks. Sunglasses are needed by people living near the equator, especially those with cataract, to shield their eyes from the sun's damaging rays.

In fiscal year 2001-02, the Lions Eyeglass Recycling Centers reported a collection of nearly six million pairs of eyeglasses, distributing to more than three million people in developing nations. Recycled eyeglasses are typically distributed outside of the United States due to legal constraints concerning the dispersal of prescriptive devices.

Wisconsin Lions Foundation Eyeglass Recycling Center

Wisconsin Lions Foundation Eyeglass Recycling Center 3834 County Road A Rosholt, WI 54473
Contact: PDG Sharon Cherek, Manager Evette Hartrig, Administrative Assistant Phone: (715) 677-4969 Toll-free (Wisconsin only): (877) 463-6953 Fax: (715) 677-4527 e-mail: wlf@wi-net.com

Number of eyeglasses collected in 2001-02: 364,840 Number of eyeglasses distributed in 2001-02: 152,671 The Wisconsin Lions became a part of the Lions Eyeglass Recycling Center program in 1994. However, they have been collecting used eyeglasses for over 30 years. The center utilizes a local correctional system as a source for processing collected eyeglasses. Having established a permanent clinic in Mexico, representatives from the center make annual mission trips there, as well as to Jamaica. The Wisconsin Lions Foundation Eyeglass Recycling Center generally furnishes eyeglasses for Lions, as well as other organizations such as: Feed the Children and VOSH (Volunteer Optometric Services to Humanity).
