

Days of Discovery Greater Kenosha Lions and Lioness

Above: The start of a new day waiting for the hungry people.

Left: Long lines all day to board the H.M.S. BOUNTY

When the Tall Ships sailed into Kenosha, Wisconsin as part of the Kenosha Days of Discovery, the Lions and Lioness of Greater Kenosha helped feed the hungry crowds of people estimated at 60,000 over the four day event. In their first joint venture the Lions and Lioness sold 6,000 Bratwurst and Hot Dogs from two booths for a profit of over \$6,000.00.

The two clubs are now contemplating other joint projects because of the mutual enthusiasm and spirit of cooperation of both clubs.

Lion President Barb Fleischer and Lioness President Judy Hains co-chaired this highly successful event

The above picture is a partial view of the car show where over 300 cars registered. Jim Wardon, Car Show Chairman, promises ever a bigger show for next year.

Wind Lake Lions support to Community

In addition to supporting National and International Programs, the Wind Lake Lions support Youth Baseball, Helping Hands Food Pantry, Wind Lake Fire Department, Drug Awareness Program, Red Cross, Wind Lake Blood Drive, Girl Scouts and Boy Scouts, and numerous other organizations. Recently we gave four (4) \$500.00 college scholarships to Megan Hegermann, Emily Axelson, Erica Lewis, and Angela Kau.

Our Annual Chicken Barbecue, Car Show and Craft Fair was a resounding success. Over 1,000 chicken dinners were served along with hot dogs, soda, and beer.

Recycle Yourself

A common issue many people support is conservation and protecting the environment. A key component of environmental efforts is recycling of products that can be used again. This avoids unnecessarily filling landfills and reduces the need for the manufacture of many plastics, metals, and chemicals. Thoughts of recycling can be expanded into the realm of transplant medicine. Upon your death, many parts of your body can be "recycled" through donation and transplantation. Organs, tissues, and eyes can be used to save lives and enhance the lives of many patients. It is estimated that nearly 70 individuals can be helped with each donation.

Nevertheless, the need for organ donation has now exceeded 82,000 people on the waiting lists in the United States. With waiting times averaging 3 years, nearly 17 people die every day waiting for a donated heart, lung, liver, or kidney. Over 800,000 people are helped each year through tissue donation including bones for reconstructive orthopedic surgery following disease or injury, skin for burn victims, and heart valves and other blood vessels for cardiac uses. Each year, 600-700 people can see clearly again after corneal transplants using eyes donated to the Lions Eye Bank of Wisconsin.

Someone may be able to see tomorrow and others may be able to see in the future. The life of an organ recipient may be saved by a new heart or liver. A burn victim may recover and return to work and a normal life. Support eye, organ, and tissue donation. Recycle yourself. Your financial support of the eye bank is needed now so that sight restoring surgery can continue.

BOHNERS LAKE LIONS CLUB

WE

SERVE

The Bohners Lake Lions Club was formed in October, 1999 and chartered in December, 1999. We meet the 2nd Wednesday of every month at a location announced in our Newsletter.

With the support of the Community, the *Bohners Lake Lions Club* has returned over \$10,000. to individuals, families and school children in Bohners Lake and the surrounding area. We annually provide Thanksgiving and Christmas baskets to families needing financial assistance due to illness, job lay-offs or domestic issues. We make cash donations to many *Lions* supported charities including Childrens Hospital, Diabetes, Disaster, Drug Awareness, Eye Bank, Leader Dog, Hearing, Youth Outreach programs and others.

Last year, we had our first Christmas luncheon for the children of Winkler School and our first Easter Egg Hunt on the School grounds. These were both very successful and we plan to have them as annual events in the years ahead. Our *Strawberry Fest* is designed to be an annual family picnic. Our 4th annual 'Fest was at the Town Park at the boat launch and we provided free pontoon boat rides and speedboat rides while encouraging families to spend a "picnic in the park". We raffled off a paddle boat in 2003 and plan a similar raffle in the years ahead.

We sponsor benefits and provide help for families suffering losses from accidents, health problems, and home fires. We sponsor youth football, Lions Camp, and a LEO Club for youngsters ages 10-18.
